

WONDER WORKING POWER

2024 ANNUAL REPORT

MISSION

We serve Disciples by gathering, stewarding, and distributing dollars for mission. We do this by identifying and assisting donors who desire to make a difference through planned gifts, and by assisting Disciples ministries to be good stewards of their gifts through sound policies and prudent faith-based investment services.

CORE VALUES

COMMITMENT TO EXCELLENCE

Continually working to improve our services and processes and to be responsive to the needs of donors and of our church.

PARTNERSHIP

Working to support all of the ministries of the church. Serving as an honest broker to connect ministries and donors for the benefit of the Gospel.

INTEGRITY

Honesty, transparency, full disclosure and the ability to fulfill our commitments.

STEWARDSHIP

Serving as trustee for donor and church dollars with the same level of commitment and care that we would have for our own resources. Understanding our purpose for being as a ministry to serve and to benefit all of the ministries of the Christian Church (Disciples of Christ).

FIDUCIARY RESPONSIBILITY

Prudent and diligent oversight of funds under management. Commitment to treat each donor dollar as a sacred gift, requiring the highest level of care.

PRESIDENT'S MESSAGE

In 2024, Matt Rosine became the fourth president elected to lead the Christian Church Foundation. This carefully planned transition was executed seamlessly, underscoring the importance of thoughtful planning in leadership changes. Transitions are vital to organizational growth, and under Matt's guidance, the Foundation is perfectly positioned for future growth and service. I have never been more excited about the Foundation's future.

It was one of the greatest honors of my life to serve alongside you at the Foundation. Together, we navigated market challenges, seized opportunities, and enhanced the Foundation's capacity to support our donors and ministry partners. Our collective efforts are generating more funds for mission and ministry today and will

produce even more dollars tomorrow and in perpetuity.

"Wonder Working Power" is more than this year's annual report theme, it is my lived experience at the Christian Church Foundation. For more than two decades, I had a front-row seat to the amazing beauty of generosity. I got to see the wonder on a donor's face when the documents were signed, and their ultimate legacy put in place. I was privileged to witness the impactful work made possible by income from permanent funds. I saw the power of a faith community united in their mission to change the world.

Thank you for your witness and faithful service. Your partnership and inspiration throughout the years have helped sustain me. I depart with a heart filled with gratitude and with confidence that God's mercy and grace endure. "Wonder Working Power!"

Gary W. Kidwell

President

September 1, 2003 to September 30, 2024

One of my first duties in the church was serving as a "junior deacon." I was nine years old and for one Sunday a month, I had to wear a necktie and line up with the adults in the narthex before worship started. We were each handed a brass offering plate, and we walked down the center aisle as the

organ played the Gloria Patri. With nervous hands, I carefully passed the plate back and forth from row to row. This serious task required all the focus I could muster. To my nine-year-old imagination, passing that brass plate was about as sacred as things could get.

Here I am, 40 years later, and I find myself passing the plate again. This is what we do at the Christian Church Foundation. We invite gifts, and we carefully hold them so they can be used for the glory of God. On the following pages of this Annual Report, you will see the names and read a few stories of those who have shared gifts and those who benefit from the church's generosity. As you read the stories, see the names of permanent funds that have been created, and recognize those who have made gifts, you will hear the Psalmist whispering, "God's mercy endures forever."

Last year, Disciples ministries received nearly \$12 million in distributions from gifts entrusted for management to the Christian Church Foundation. What a joy to witness the power of gifts made many years ago. And what a joy to work with today's donors who glimpse the wonder-working power of God when the plate is passed in their direction.

The Joint Investment Trust helps nearly 800 partner ministries; congregations, regions, general ministries, institutions of higher education, and other Disciples organizations – who jointly invest their long-term financial assets alongside the Foundation. Our partner ministries received a combined \$19.7 million in Income distributions to support the church's work in the world.

In 2024, we celebrated the long-tenured ministry of Rev. Gary Kidwell who retired as president of the Christian Church Foundation. Under his leadership, the Foundation reached many new milestones, and we reached a new one last year: \$1.19 billion in total assets under management. This record of financial strength and stability, built with donors and partners, allows the Foundation to continue serving the church. The Foundation passes the plate on behalf of the entire Christian Church (Disciples of Christ).

Our Annual Report illustrates the wonder working power of God exceeding all that we can ask or imagine. Even with the smallest of things – a widow's mite, a stone rejected by builders, a kernel of faith – God's power changes the world.

I invite you to take a moment to look, down the row, seated on the pew next to you, and in the pages you hold, and you will see the saints of the church. Some are living and some are alive in our sacred memory. The gentle hands of generations reach out, holding the brass plate toward you.

What offering will you give for the glory of God?

SUPPORTING CHURCH LEADERSHIP

Northside Christian Church (Disciples of Christ), St. Louis and Higher Education & Leadership Ministries (HELM)

It is both difficult and sad when a congregation closes its doors, but churches such as Northside Christian Church (Disciples of Christ) in north St. Louis, Missouri, have discovered resurrection by paving the way for future church leaders.

Congregation leaders took the proceeds from the 2014 sale of the church property and established a legacy fund with the Christian Church Foundation. The Northside Christian Church,

St. Louis, MO Legacy Fund is a permanent fund that will provide income in perpetuity. Half of the annual income from the fund goes to Higher Education & Leadership Ministries (HELM) to support the Leadership Fellows Program. The remaining half supports other general ministries of the Christian Church (Disciples of Christ).

“Northside supported those in higher education in the past,” says Melissa Feldhaus, church treasurer, who was tasked with implementing the legacy fund. “While closing a church is painful, knowing that our resources allow the spirit of the congregation to live into the future is a gift to us.”

The Leadership Fellows Program is comprised of up to 40 undergraduate students from Christian Church (Disciples of Christ) congregations. Fellows receive a four-year scholarship and commit to engaging in leadership activities as they start their undergraduate careers. Through readings, activities, and an annual retreat, all with an intentional focus on Christian community, societal transformation, global awareness, and leadership engagement, participants strengthen their potential for church and community leadership. As students graduate, up to 10 new students are added each year.

The congregation and leaders at Northside Christian Church were inspired by the program’s purpose as they contemplated the impact they would continue having on the denomination after closing. Rev. Dr. Judy Ridlen, Northside’s pastor from 1993 until it closed in 2014, recalled Dennis Landon, former HELM president, meeting with the congregation to share a vision of the Leadership Fellows Program and its vital role in nurturing transformative leaders for church, society, and the world.

Indeed, the wonder working power of the gift from the Northside congregation, along with gifts from other congregations and individuals, is strengthening emerging church leaders.

Leadership Fellow alum Krista Johnson Weicksel is currently serving the church as vice president of administration and programs at the Division of Overseas Ministries/Global Ministries.

“I think what I gained most was confidence,” Krista says. “I don’t remember all the workshop topics, but I do remember feeling challenged. I don’t remember all the church leaders we met, but I do remember feeling heard and respected as a young person in the life of the church. Being a part of the Leadership Fellows Program helped me to articulate a call to lay ministry through peacebuilding.”

HELM President Rev. Dr. Tamara Rodenberg, while saddened that Northside’s visible ministry has ended, said the congregation’s witness extends forever in the future church and community leaders who participate in the Leadership Fellows Program. “Graduates of this program have gone on to become tremendous ministers and outstanding lay leaders, working in their congregations and beyond,” she said. “We are grateful for the members of Northside Christian Church and encourage other individuals and congregations to invest in future generations of Disciples students as well.”

The witness and ministry of Northside Christian Church is living on in the lives of young people being nurtured into leaders of today and tomorrow.

CREATING PLACES OF BELONGING

Bill and Anita Imhoff

Bill and Anita Imhoff committed their lives to be in service to others. For more than 30 years, Anita served children in Kansas and Oklahoma as a special needs teacher. Bill, an ordained Disciples minister, served churches in Oregon, Kansas, Oklahoma, and Montana from 1951 to 1993. His final full-time

pastorate was with First Christian Church (Disciples of Christ), Emporia, Kansas. It was at Emporia where Bill and Anita met. They were married on Christmas Eve in 1984.

Bill and Anita considered being raise in Christian homes an extraordinary blessing. As children, they each learned the importance of stewardship and tithing as a central part of their faith. Though they grew up in different congregations in different states, both continued to develop and sustain their stewardship practices to benefit the churches they attended.

Into their retirement and after they are gone, Bill and Anita wanted the church causes they love to continue to benefit from their stewardship through their estate plans. Early in their marriage, they worked with an estate planning attorney to make provisions that would benefit their family members and church causes. They updated their plans as the needs of their family and church evolved. In 2008, the Imhoffs created a permanent fund with the Christian Church Foundation and chose the Disciples ministries that would receive a stream of income forever from their planning and generosity.

Shortly after Bill died in June 2015, Anita felt challenged by a sermon based on the parable found in Luke 12:16-21.

As her 'barns' began filling, Anita heard and accepted the call to begin sharing some of her excess income, rather than 'building bigger barns.' Aside from her living expenses and occasional home maintenance projects, Anita says her only other "major expense is taking friends to eat out. I have no desire to travel or to spend money lavishly, I want to enjoy time with friends and care for the church," she shared.

After conversations with her tax adviser and the Foundation, in addition to the permanent fund she and Bill created, Anita established a Steward's Donor-Advised Fund with the Foundation. In the years when her 'abundant harvest' exceeds her needs, Anita receives a tax deduction for that year's eligible charitable gifts; determining later the ministries that will receive her directed gifts.

Through income from their permanent fund and the requested distributions from her Steward's Donor-Advised Fund, the Imhoffs have provided resources for the Pension Fund's ministerial relief

program; Phillips Theological Seminary, in honor of the training Bill received there; and Bethany Fellows.

As a pastor, Bill offered support to other pastors, which is central to Bethany Fellows' mission to provide a community of support, inspiration, and renewal for young pastors serving congregations. The Imhoffs' gifts have provided a yearly scholarship for a Disciples pastor to participate in Bethany Fellows. Through small group discussion, live prayer and preaching practice, and mentorship, Fellows are nurtured and grow for congregational service. The power of the Imhoffs' gifts, along with gifts from others, is realized through the 200 young pastors who have served in more than 300 congregations, providing vibrancy, leadership, and passion for the work of the Church.

Whether as a result of being the youngest of four children, serving as a special needs teacher, or observing injustices in our communities, Anita wanted to focus support on issues of justice and compassion, while honoring Bill through his alma mater, Phillips Theological Seminary. Anita directed gifts from her Donor-Advised Fund to support Phillips' capital campaign to build Bedford House, a center for hospitality and community; of belonging and inclusion; a safe welcoming place for all.

The Imhoffs never sought recognition for their generosity. Anita states, "I am blessed to be able to give as my personal investments and those managed by Pension Fund have grown. I know that my Steward's Donor-Advised Fund and our permanent fund are managed very well by the Foundation, allowing me to give away even more money, both now, and at my death."

Indeed, the generosity exhibited by Anita and Bill during their lives will have an everlasting effect on the Church they love and served.

WONDER WORKING POWER

And he told them this parable: "The ground of a certain rich man yielded an abundant harvest. He thought to himself, 'What shall I do? I have no place to store my crops.'

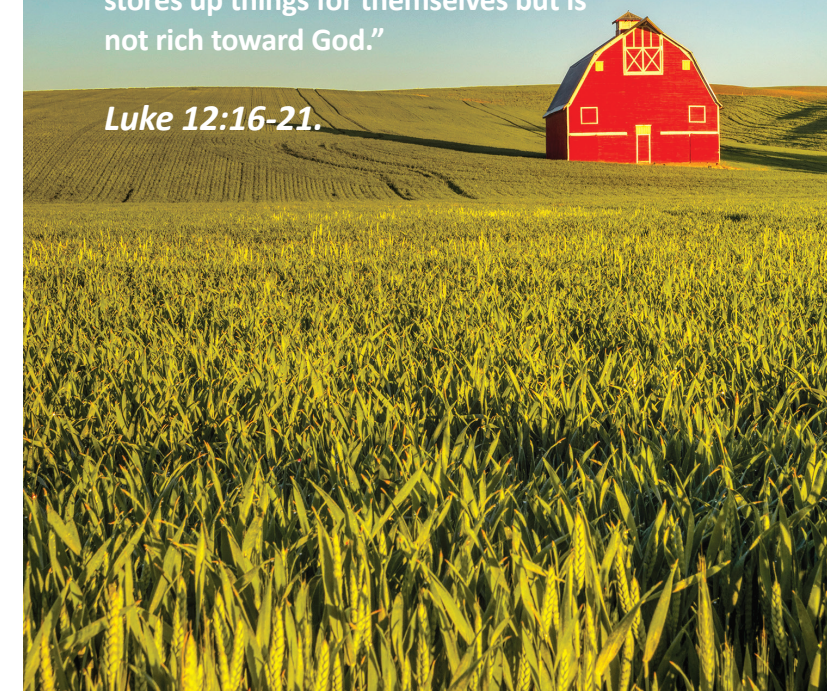

"Then he said, 'This is what I'll do. I will tear down my barns and build bigger ones, and there I will store my surplus grain.

"And I'll say to myself, *You have plenty of grain laid up for many years. Take life easy; eat, drink and be merry.'*

"But God said to him, 'You fool! This very night your life will be demanded from you. Then who will get what you have prepared for yourself?'

"This is how it will be with whoever stores up things for themselves but is not rich toward God."

Luke 12:16-21.

UNITING AND INVESTING FOR EMPOWERMENT

Black Disciples Endowment Fund and Fifth Christian Church (Disciples of Christ), Cleveland

history of providing resources for training and education.

“The Christian Church Foundation has been an important partner with the Black Disciples Endowment Fund by working with donors who are creating long lasting legacies as well as growing the Fund through prudent investments,” noted Jackie Compton Bunch, Chair, Black Disciples Endowment Fund.

Fifth Christian Church (Disciples of Christ), Cleveland, Ohio, received a \$5,000 grant to host its inaugural (Children’s Defense Fund) CDF Freedom School®. The CDF Freedom Schools have origins in

the Mississippi Freedom Summer Project of 1964, which brought college students from around the country to Mississippi to secure justice and voting rights for Black citizens. Today the program focuses on nurturing lifelong learners and advocates for progress.

The six-week summer program at Fifth Christian supports K-12 scholars and their families, offers high-quality academic and character-building enrichment, parent and family involvement, and civic engagement. Fifty children and their families are able to participate in Freedom School, though the impact is wider. The congregation at Fifth Christian gained fantastic awareness of the needs in their community. The church now hosts a Community Day where there are health screenings, school supplies, and information about food and housing resources. At least one new family joined the congregation as a result of Freedom School participation.

The Black Disciples Endowment Fund Board of Trustees makes grants to individuals and ministries for leadership development, congregational growth and vitality, and responses to and advocacy for the well-being of the African American community. “We know that the gift of empowerment unleashes the possibilities of the ministries, programs, and projects we are able to support,” said Bunch.

More than 20 named permanent funds collectively form the Black Disciples Endowment Fund. (See page 22).

PRACTICING STEWARDSHIP

Parker and Marion Cross - Cross Family Outreach Fund

In 2014 Rev. Parker Cross retired from pastoral ministry, having served churches throughout Texas and Oklahoma for more than 40 years. Parker and his wife Marion found themselves at a new stage of life – retirement. They quickly became members at Creekwood Christian Church (Disciples of Christ), Flower Mound, Texas, and of course, jumped in, becoming very active in the congregation’s ministries. They continued their generous stewardship, by supporting the work and ministry of their new congregation.

In addition, Parker and Marion created a permanent fund with the Christian Church Foundation – the Cross Family Outreach Fund, which benefits Week of Compassion. The Crosses immediately established a process to make ongoing, monthly contributions to their fund.

“Making regular contributions to our fund is an important part of our stewardship practice just like ongoing support for our congregation,” noted Parker. Their sustained contributions allowed the fund to steadily grow year by year, while the Crosses continue to actively support their congregation and other causes important to them.

“It is a wonderful opportunity to see, during our lifetimes, how our gifts are impacting the ministries we have been devoted to for many years,” said Parker. He continued, “the Christian Church (Disciples of Christ) has been such a blessing to us through decades of ministry in the local church. Week of Compassion (WOC) opened our eyes to the needs of others both here and around the world. WOC provides an important way for us to help. Through our permanent fund with the Christian Church Foundation, our family will continue to touch the lives of others in crisis and in need.”

“It is a wonderful opportunity to see, during our lifetimes, how our gifts are impacting the ministries we have been devoted to for many years.”

BUILDING AND SUSTAINING

Week of Compassion

The Pointe-au-Chien Indian Tribe, an Indigenous community in the Terrebonne Basin in the greater New Orleans area, was deeply impacted by Hurricane Ida (2021). Both Ida and predecessor Hurricane Katrina, which struck nearly 20 years ago, made an indelible mark on the Crescent City and her people, shedding light on the flawed systems that disproportionately affect marginalized persons, particularly Black and Brown communities, as well as Indigenous tribes and their lands.

Even before Ida hit, destroying more than 70 homes, the Pointe-au-Chien community, which is not a federally recognized tribe, received virtually no federal or state assistance, including emergency help. Traditional case management assigned to the region had no local ties, indigenous relationships, or connection to the Indian French language and culture. Training and employing tribal elders, those already trusted in the community, to serve as case managers was a creative solution proposed to Week of Compassion by the Lowlander Center and the First Peoples Conservation Council.

Supporting the work of tribal elders, Week of Compassion resourced the upgrades and repairs to a volunteer housing facility, enabling ecumenical partners to commit build teams who have rebuilt multiple new homes to the strict international building code.

Under its Week of Compassion Fund, the Christian Church Foundation manages and maintains more than 180 named permanent funds, created by

Week of Compassion

donors to support this critical ministry. (See pages 44 -49). The Foundation team works alongside Week of Compassion's donors as the donor determines how their gift might support ministry, freeing Week of Compassion staff to implement disaster relief and development projects.

The combined power of these gifts is rebuilding more than houses, it is rebuilding and sustaining community. For the Pointe-au-Chien community this means recovering cultural integrity while stewarding their ecosystem; maintaining both cultural identity and diminishing hurricane impact for those who will follow.

“Week of Compassion is deeply grateful for our partnership with the Christian Church Foundation, whose steadfast stewardship has not only enabled us to move resources into mission but has multiplied those efforts exponentially over the last decade. The impact the entire Christian Church (Disciples of Christ) has across the world is a direct result of the incredible support we’ve built with donors, churches, and partners, and especially with the Christian Church Foundation, whose unwavering commitment to stewarding and strengthening relationships between churches, donors, and ecumenical partners has amplified our collective efforts in truly transformative ways.”

Rev. Vy Nguyen,
Executive Director, Week of Compassion

JOINT INVESTMENT TRUST

The Christian Church Foundation’s Joint Investment Trust (JIT) offers partner ministries long-term investment options in highly diversified investment portfolios with access to institutional managers and asset classes usually unavailable to ministries as a stand-alone investor. By jointly investing financial assets, participants in the JIT enjoy efficiencies of scale beyond the capacity of any individual investor.

The Foundation is focused on the dual priorities of providing funds for ministry and service

while growing the invested funds to help mitigate inflation. Foundation staff work alongside our investment consultant and investment committee to evaluate long-term diversification; formulate asset allocations; and assess each investment manager’s performance.

In addition to assets entrusted to the Foundation by donors, the JIT includes assets from nearly 800 ministry partners. Ministry partners use the Income from their JIT investments to enhance outreach, maintain and repair facilities, support salaries, strengthen health and wellness programs, seed new initiatives, and much more. Through the JIT, the Foundation manages more than \$800 million in financial assets owned by our ministry partners, including congregations, regions, general ministries, institutions of higher education, and others.

As a faith-based investor, the Foundation engages companies, through our partnership with the Interfaith Center on Corporate Responsibility, adding Disciples voices to those of other shareholder advocates who view the management of their investments as a catalyst for social change.

NAMED
PERMANENT
FUNDS

More than 2,000 individuals, congregations, and ministries that love and are dedicated to the mission and ministry of the Christian Church (Disciples of Christ) have made gifts to establish a permanent fund with the Christian Church Foundation.

A permanent fund, sometimes called an endowment fund, is a gifting vehicle designed to create income for designated ministries while preserving and growing the original gift and any additional gifts. Establishing a permanent fund is simple and allows each donor to select the ministry or ministries they hold dear to benefit from their generosity in perpetuity.

The names you will read on the following pages represent individuals and ministries active in the life of congregations, regions, higher education, and other ministries; as well as those whose work on earth has ended and are now among the great cloud of witnesses. In every case, each permanent fund is a lasting legacy of devotion. You will also see the names of congregations and ministries whose visible work has concluded but their legacy continues.

Each permanent fund held by the Foundation stands as a testament to the ongoing, living witness of stewardship that supports the vital ministries of the church. These permanent funds distributed more than \$10 million in 2024 and are the wonder working power of faithful generosity.

LIFE-INCOME
GIFTS

Life-income gifts combine charitable giving to a beloved ministry with an ongoing income stream to the donor or someone they cherish.

Charitable Gift Annuities and Charitable Remainder Trusts are the most common life-income gifting plans and follow a similar process. A donor makes an irrevocable gift; payments are made to the donor or their designated recipient for life or a term of years; and when the scheduled income terms are

completed, the remaining gift assets support the ministry designated by the donor.

Donors receive a charitable income tax deduction at the time they create their Charitable Gift Annuities or Charitable Remainder Trusts.

As of December 31, 2024, the Foundation was managing one or more life-income gifts funded by these donors.

STEWARD'S DONOR- ADVISED FUNDS

The Foundation's Steward's Donor-Advised Fund allows donors to make a charitable gift while retaining the ability to advise on their fund's distributions, including the timing and amount to be distributed to their selected charitable organization. Individuals may choose a Steward's Donor-Advised

Fund as one of their tax-planning strategies while supporting ministries they hold dear.

During 2024, these funds distributed more than \$1.2 million to support the charitable organizations selected by their donors.

ANNUAL GIFTS

The Foundation assists donors with planned giving by providing information and assistance about how a donor might support the ministries they hold dear. Acting as an honest broker, the Foundation does not advocate or promote specific ministries or programs, nor do we seek gifts

to support our own operations. We are nonetheless honored by those who have chosen to support the Foundation's mission through an annual gift. These gifts, coupled with income from endowments established to support the Foundation's mission, expand our ability to serve Disciples.

We are grateful to those listed below who supported our ministry with an annual gift in 2024.

FIERS-BROWN SOCIETY

A. Dale and Betty Fiers

Rev. A. Dale Fiers served as the first General Minister and President of the Christian Church (Disciples of Christ) and was instrumental in the organization and early support of the Christian Church Foundation. His wife, Betty, was equally dedicated to the church, serving for four years as the president of the International Christian Women's Fellowship. They both were dedicated to their faith and to the future of the church.

Rev. Fiers' sister, Othel and her husband DeWitt Brown were a quiet, faithful couple. They were known throughout their Charlotte, North Carolina, community for being remarkably dedicated to their shared work at their magazine and paperback distributorship, Dixie News, Inc. The Browns believed in the importance of all forms of generosity. One of Othel's favorite quotes was,

"What we do for ourselves alone dies with us. What we do for others and the world, remains and is immortal."

What these modest, dedicated Disciples did for the Christian Church as they offered their gifts in service has, indeed, lived on and continues to bless others.

DeWitt and Othel Brown

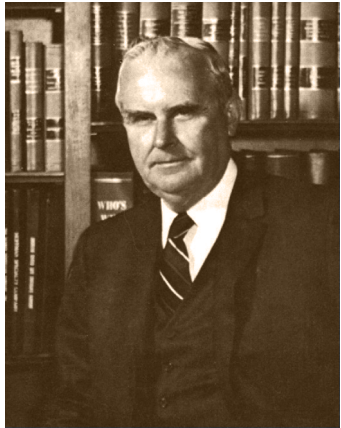

At the time of her death, the gift provided through Othel Brown's estate was the largest gift ever received by a Protestant denomination in the United States. The \$8 million gift through the Christian Church Foundation not only continues the stewardship practices embodied by Othel and DeWitt, but provides ongoing resources for the work and ministry of the Disciples of Christ.

The Fiers-Brown Society, created in April 1995, honors the lives and legacies of Dale, Betty, DeWitt, and Othel. Members of the Fiers-Brown Society have created a plan for their lasting legacy through one or more of the following:

- Established a named permanent fund with the Foundation;
- Completed a life-income gift with the Foundation; and/or
- Completed beneficiary designations, wills, trusts, or other agreements that will create a future permanent fund with the Foundation.

We invite you to join the more than 1,700 individuals who belong to the Christian Church Foundation's Fiers-Brown Society by creating a planned gift or permanent fund through the Christian Church Foundation.

WONDER
WORKING
POWER

WHEN
Thank You
IS NOT ENOUGH

Simply saying thank you cannot begin to express the gratitude we have for Rev. Gary W. Kidwell and his ministry at the Foundation, an enduring legacy indeed.

Throughout 2024, the Foundation Board, staff, ministry partners, and friends celebrated Gary's leadership and ministry at the Foundation, spanning 26 years, from 1998 to 2024, including September 1, 2003 to September 30, 2024 as president.

During Gary's tenure, \$197 million in new gifts were donated to the Foundation to hold in trust to support the donors' designated ministry. Also during Gary's leadership, ministry partners invested an additional \$600 million in the Joint Investment Trust (JIT); trusting the Foundation to manage and grow each partner's resources for their future ministry.

Notably, during Gary's term as president, nearly \$200 million was distributed to

congregations, General and recognized ministries, Regions, higher education, Disciples Mission Fund, and other charities from permanent funds and other gifts entrusted to the Foundation.

Beyond the dollars and cents, Gary provided critical leadership throughout the Christian Church (Disciples of Christ). He served as a mentor to pastors, general and regional ministry colleagues, and those involved in fundraising throughout the church. As a trusted advisor, he could be counted on to provide both practical and pastoral guidance.

He epitomizes the adage, 'take your work seriously but not yourself,' providing excellence in all he did while exhibiting humor and humility.

We wish Gary and Judy years filled with family time, travel, relaxation, and, of course ... golf.

With love and gratitude, Your Foundation Family
